bill, etc. Now I probably need to know what..do you want to delay or...

SENATOR CAVANAUGH: All I want to discuss is my amendments.

PRESIDENT: O.K. Fine and dandy. 897 then is before the body. Senator Maresh

SENATOR MARESH: Mr. President and members of the Legislature this happens to be my bill and I hope this bill won't be drastically changed because this bill had a hearing and I hope that all we do is just consider the changes that we spoke about this morning and not take the bill all to pieces and come up with a different bill. Thank you.

PRESIDENT: O.K. Senator Cavanaugh.

SENATOR CAVANAUGH: I move for the adoption of my amendment. The amendment would reinstate the language on page 8 and page 11. And add that language previously explained on page 11 at the recommendation of the Attorney General. I don't know if there is any further explanation necessary. I would move the adoption of the amendments. Also add the emergency clause.

PRESIDENT: Now then, there may be a technicality involved in this amendment the Chair wants to call to your attention, Senator Cavanaugh. Well, disregard. The motion is..Senator Maresh do you want to be heard on the issue here. Senator Cavanaugh.. Thank you turn off your light. The question is, do you want to adopt the Cavanaugh amendment to 897 on Select File. All those in favor of adopting the Cavanaugh amendment will vote aye. All those opposed will vote no. 25 votes are required. And you may remember that this is the bill that subsequent amendments were contemplated and it would be treated on Select File as if it were on General File. This is the vote on the Cavanaugh amendment only. Cavanaugh amendment to 897 on Select File. Thank you, Clerk will record. Clerk will record.
